1. DEFINITIONS.
(a) “Device” means any unit of equipment, fixed or portable, that receives, accesses or displays Market Data in visible, audible or other comprehensible form.
(b) “Person” means any natural person, proprietorship, corporation, partnership, limited liability company or other organization.
(c) “Market Data” means information and exchange data provided by suppliers of data via the FactSet Service (“Suppliers”) pertaining to: (i) all types of securities, instruments, futures contracts and options contracts traded on any Supplier, that includes, without limitation, opening and closing range prices, high-low prices, settlement prices, current bid and ask prices, last sale prices, price limits, requests for quotations, estimated and actual contract volume data, text messages pertaining to market activity, contract specifications, fast or late messages and, as determined by each of the Suppliers, may include information respecting Supplier-for-physical (EFP) or against actuals (AA) transactions; (ii) index data relating to the market data referred to in clause (i); (iii) real time news data. With respect to Subscriber’s obligations under this Agreement, Market Data includes information, data and materials that are derived from the foregoing and that convey information to Subscriber that is substantially equivalent to Market Data.

2. PROPRIETARY RIGHTS IN THE MARKET DATA.
(a) Subscriber acknowledges and agrees that each of the Suppliers has exclusive and valuable property rights in and to its own Market Data, that such Market Data constitute valuable confidential information, trade secrets and/or proprietary rights of each of the Suppliers, not within the public domain, that such Market Data shall remain valuable confidential information, trade secrets and/or proprietary rights of each of the Suppliers at least until the Suppliers place their respective Market Data in the public domain or authorize placement of their respective Market Data in the public domain and that, but for this Agreement, Subscriber would have no rights or access to such Market Data. Whether or not a particular Supplier has placed its Market Data in the public domain or has authorized the placement of its Market Data in the public domain shall be determined according to the terms of such Supplier’s agreement with Vendor, which agreement is described in Section 3(a).
(b) Subscriber acknowledges and agrees that disclosure of any Market Data, or any breach or threatened breach of any other covenants or agreements contained herein, would cause irreparable injury to each of the Suppliers for which money damages would be an inadequate remedy. Accordingly, Subscriber further acknowledges and agrees that each of the Suppliers shall be entitled to specific performance and injunctive and other equitable relief from the breach or threatened breach of any provision, requirement or covenant of this Agreement (including, without limitation, any disclosure or threatened disclosure of Market Data) in addition to and not in limitation of any other legal or equitable remedies which may be available.

3. RECEIPT OF MARKET DATA BY SUBSCRIBER.
(a) Vendor and Subscriber have entered into an agreement by which Vendor will, among other things, provide Subscriber with Market Data. Vendor has entered into agreements with each of the Suppliers whereby Vendor has been granted the right to receive Market Data and to retransmit the same to Subscriber. This Schedule to the agreement between Vendor and Subscriber sets forth the terms and conditions upon which Subscriber may receive and use Market Data. Subscriber acknowledges that, notwithstanding such agreement, each of the Suppliers may, in its discretion, discontinue disseminating its own Market Data or change or eliminate its own transmission method, speed or signal characteristics. In addition, Subscriber acknowledges and agrees that the Suppliers reserve the right to disapprove any Subscriber and retain the right to direct Vendor to terminate any Subscriber’s receipt of Market Data for any reason or no reason, in which event the Suppliers shall so notify Vendor and Vendor shall cease providing Market Data to Subscriber as soon as practicable.
(b) Except as provided in (2) below, Subscriber will use Market Data only for its own business activities and only at the offices and locations designated by Subscriber in writing to Vendor from time-to-time. Subscriber agrees that it will not communicate or otherwise furnish, or permit to be communicated or otherwise furnished, the Market Data, in any format, to any other party or any office or location other than that designated above, nor allow any other party to take, directly or indirectly, any of the Market Data from such offices or locations, and will adopt and enforce any policy that is reasonable to prevent the Market Data from being taken therefrom. Subscriber will abide by any other limitations on such use that any of the Suppliers may specify. Subscriber will use its best efforts to ensure that its partners, officers, directors, employees and agents maintain sole control and physical possession of, and sole access to, Market Data received through Devices in Subscriber’s possession. (2) Notwithstanding (1) above, Subscriber may, in the regular course of its business, occasionally furnish, to each of its customers, branch offices and guaranteed introducing brokers, in a quantity restricted to that necessary to enable Subscriber to conduct its business, a de minimis number of segments of Market Data. Such redissemination must be strictly limited to telephonic communications not entailing the use of computerized voice synthesis or any other technology and must be strictly related to the trading activity of Subscriber or any such recipients. Any such recipients must be advised by Subscriber that such segments are proprietary and confidential information not to be disclosed or disseminated to other persons or entities. Subscriber agrees to make all reasonable efforts to ensure that such recipients abide by the provisions of this Agreement.
(c) In the event that Vendor has agreed to permit Subscriber to receive, access or display Market Data through means other than a Vendor-provided Device, such as by means of: (i) the Internet, any Intranet or any other type of network; (ii) portable Devices (e.g., pocket pagers, personal digital assistants, laptop computers, etc.); and (iii) synthesized voice responses over telephones, Subscriber will use its best efforts to ensure that no other device, attachment or apparatus is used which may allow third parties not subject to Subscriber's reporting obligations under Section 3(b) above to access the Market Data.

(d) Subscriber agrees that it will comply with the terms and conditions of this Agreement with respect to all Market Data received from any exchange not initially subscribed to if, after the date of this Agreement, Subscriber elects to receive Market Data from any other exchange via Vendor. Without further action on the part of Subscriber or Vendor, this Agreement shall be deemed amended to include any additional Market Data.

4. REPORTING. Upon request, Subscriber agrees to furnish promptly to Vendor any information or reports that may be required by any of the Suppliers as applicable and that is reasonably related to Subscriber's receipt of Market Data. Subscriber further agrees to furnish promptly to Vendor any additional information or reports that may be required by the agreement between Vendor and Subscriber referred to in Section 3(a) as it relates to Subscriber's receipt of Market Data.

5. RIGHT OF INSPECTION AND AUDIT. During regular business hours, any Persons designated by any Supplier may have access to Subscriber's offices or locations in order to observe the use made of the Market Data and to examine and inspect any Devices, attachments or apparatuses, as well as any books and records required to be maintained by Subscriber under Sections 3(b) and 4 in connection with its receipt and use of Market Data. Subscriber will make prompt adjustment (including interest thereon at the rate of 1-1/2% per month), through Vendor, to compensate any Supplier that discovers an under-reported use of the Market Data by Subscriber. In addition, at the election of any such Supplier, Subscriber will be liable for the reasonable costs of any audit that reveals a discrepancy in such Supplier's favor of five percent (5%) or more of the amount of fees actually due such Supplier. Subscriber shall maintain the records and books upon which it bases its reporting for Market Data for three (3) years following the period to which the records relate. In the event that Subscriber fails to retain such records and books as required above, Subscriber agrees to pay each Supplier's reasonable estimate of any discrepancy discovered pursuant to any such audit.

6. SUPPLIER FEES. Subscriber will pay Vendor, for and on behalf of each of the Suppliers (as applicable), for the right to receive Market Data in accordance with the then-current fee schedule published by each of the Suppliers from time-to-time (including any and all applicable federal, state or local taxes). Each Supplier's fees are subject to modification by each of them from time to time, without prior notice to Subscriber. In addition, Subscriber agrees to pay each Supplier any penalties assessed against Subscriber by Vendor on behalf of any Supplier. Nothing herein shall limit a Supplier's obligation pursuant to separate agreement between Vendor and any of the Suppliers (as applicable) to pay Supplier fees.

7. COVENANTS, REPRESENTATIONS AND WARRANTIES OF SUBSCRIBER. Subscriber covenants, represents and warrants that it is not engaged in the business of distributing Market Data and that, to its knowledge after reasonable inquiry, it is receiving the Market Data from a Vendor that is authorized by the Suppliers to distribute the Market Data. Subscriber agrees that it will not use or permit any other Person to use Market Data for any illegal purpose. Subscriber agrees that it will not use Market Data in any way to compete with the Suppliers or Vendor, nor use the Market Data in any way so as to assist or allow a third party to compete with the Suppliers or Vendor. Subscriber agrees that the provision of Market Data by the Suppliers hereunder is conditioned upon Subscriber's strict compliance with the terms of this Agreement and that Vendor may, with or without notice and with or without cause, forthwith discontinue said service whenever in its judgment there has been any default or breach by Subscriber of the provisions hereof, or whenever directed to do so by any of the Suppliers.

8. DISCLAIMER OF WARRANTIES. Subscriber agrees that neither Vendor nor the Suppliers make any representations or warranties, express or implied, with respect to the Market Data, or the transmission, timeliness, accuracy or completeness thereof, including, without limitation, any implied warranties or any warranties of merchantability, quality or fitness for a particular purpose, and those arising by statute or otherwise in law or from any course of dealing or usage of trade. The entire risk as to the results and performance of the Market Data is assumed by Subscriber.

9. LIMITATIONS OF LIABILITY AND DAMAGES. Subscriber agrees that: (i) the provision of Market Data is made with equipment, communications devices, and/or leased lines not owned or operated solely by Vendor or the Suppliers; (ii) neither Vendor nor the Suppliers, nor their respective members, directors, officers, employees or agents, guarantees the sequence, accuracy or completeness of the Market Data, nor shall any of them be liable to Subscriber or any other Person for any delays, inaccuracies, errors or omissions in Market Data, or in the transmission thereof, or for any other damages arising in connection with Subscriber's receipt or use of Market Data, whether or not resulting from negligence on their part, force majeur or any other cause beyond their reasonable control; and (iii) if the foregoing disclaimer and limitation of liability should be deemed invalid or ineffective by a court of competent jurisdiction, neither Vendor nor the Suppliers, nor their respective members, directors, officers, employees or agents shall be liable for any of the foregoing beyond the actual amount of loss or damage, or the sum of fifty dollars ($50.00), whichever is less.

10. TERM AND TERMINATION. Unless Vendor terminates this Agreement upon thirty (30) days' prior notice to Subscriber and subject to Subscriber's strict compliance with the provisions of this Agreement, the provision of Market Data by any of the Suppliers hereunder will continue in force during the term of the agreement between Subscriber and Vendor and any renewal term thereof. In addition, it is understood that the provisions set forth in paragraphs 2(a) and 2(b) of this Agreement shall survive the termination of this Agreement.

11. INDEMNIFICATION. Subscriber will indemnify and hold Vendor and the Suppliers, and their respective members, directors, officers, employees and agents harmless from and against any and all claims arising out of or in connection with this Agreement, including, without limitation, any liability, loss or damages caused by any inaccuracy in or omission from, Subscriber's failure to furnish or to keep, or Subscriber's delay in furnishing or keeping, any report or record required to be kept by Subscriber hereunder.

12. MISCELLANEOUS. In case of any breach by Subscriber of its obligations hereunder, each of the Suppliers will be considered to be a third-party beneficiary of this Agreement and may bring an action to enforce its terms directly against Subscriber. Any action arising out of this Agreement involving an Supplier and the Subscriber shall be governed and construed in accordance with the internal laws (and not the law of conflicts) of the state in which the Supplier has its primary business location. Subscriber may not
assign all or any part of this Agreement without the prior written consent of the Suppliers (as applicable). Neither Vendor nor Subscriber may modify or amend the terms of this Agreement. In the event of any conflict between the terms and conditions of this Agreement and any other agreement relating to Subscriber’s receipt and use of Market Data, including, without limitation, the agreement between Vendor and Subscriber referred to in Section 3(a), the terms and conditions of this Agreement will prevail. If, for any reason, one or more provisions of this Agreement is held invalid, the other provisions of the Agreement shall remain in full force and effect.
